

Visitor and Contractor Screening Questions, Vaccination status & LFD test consent (if required)

Screening questions

1. In the past 10 days have you either tested positive for COVID-19 or experienced any of the following symptoms:
 - a new continuous cough?
 - a high temperature?
 - a loss of, or change in, your normal sense of taste or smell?
 - a sore throat

Yes or No

2. If 'No' to question 1., in the past 10 days have you had close contact with any person who has either tested positive for COVID-19 or experienced any of the symptoms described at question 1?

This includes people you share a household with.

Yes or No

3. Have you had any symptoms of any infectious illness in the past 5 days?

Yes or No

4. Have you returned from overseas within the past 10 days?

Yes or No

If the answer is yes to questions 1-3, or your temperature is 37.8C or above, the visit today will not be able to proceed.

If the answer is yes to question 4, we will need to ask more questions about your travel and then risk assess whether your visit today can proceed.
